	a. The report confirms the previously reported transfer of the	
	? No AAA Div of the Group of Occupation Forces Germany from	
	the FUERSTEN ALDE area to the CHEMNITZ area.* The arrival	
	in CHESKITZ of AAA units was still observed on 20 September	
	1949.

	b. It is assumed that the AAA division was given the mission	
	are the manufactured and a series and a series of the contract	
	to protect the uranium mining area in Saxony. Newspapers sta-	
	ted that several new AA run emplacements were constructed in	
DEV4	this area (els. in SCHWARZBERG, BEIERFELD, CRUENHAIN).

25X1	the transfer of the AAA division was watched by	
23/1	officers from the iiq of the IV Arty oros. This corroborates	
	a previous assumption that the independent GNQ artillery units	
	including the two independent AAA divisions (i.e. the 2d Gds	
	AAA Tiv and the CHERITY? No AAA Div), are subordinate to the	
	hq of the IV Arty Yorps for command and training issues.
